

**Health Insurance is  
Complicated and Expensive.  
But it doesn't have to be.**

# Summer is Here... Don't Wait Until it's Over.

## Health Insurance Innovation for Small to Mid-Sized Employers

Salus is a unique, captive health insurance program designed specifically for employer groups with 25-500 lives. This alternative to traditional insurance market purchasing offers access to major networks and includes comprehensive cost containment capabilities with no additional fees.

### Why Choose Salus?

**Simplicity & Accessibility**

**Data Analytics at Your Service**

**Cost-Effective Solutions**

**Innovative Market Position**

### Why Act Now?

Pre January renewals are happening now. Don't wait for summer to end before talking to us!

Salus offers a compelling option that not only addresses their immediate needs but also sets them on a path to more sustainable, cost-effective health benefits.

### Why Salus Works for You

Salus isn't just a program; it's a partnership. As a producer, you play a crucial role in guiding your clients through the complexities of health insurance. Salus enhances your ability to serve as a trusted adviser by providing:

#### Simplifying Insurance

We take the most confusing part of business operations and make it simple and approachable.

#### Stabilizing Costs

By joining a larger pool of like-minded companies, your clients benefit from the stability of shared risks and costs

#### Enhancing Understanding

Salus simplifies health insurance, making it approachable for employers and easier for employees to understand.

#### Sharing Success

Armed with cutting-edge data analytics, Salus helps producers provide clear, actionable insights to their clients, ensuring that renewals are stable, and predictable.
